Abstract	<p>One of effort to examine the claim of journalism practices is making a research about the news construction of the media. In this project, researcher aim to study journalism style of Tarbawi magazine would be compared with Tempo, especially on covering humanity issues, by its news construction analyzed. The media contents were analyzed by using framing analysis of Entman model, so the news construction of Tarbawi will appear. Journalism style of Tarbawi will be explicit by the opinion of Tarbawi editors that found by in depth interview. The result showed the news construction of Tarbawi on covering humanity issues tend to focused on personal problem with more space for moral evaluation based on Islamic values. The contemplative and narrative writing of Tarbawi showed its conscience journalism. The moral judgments always underlie Tarbawi coverage. This journalism style can be categorized as interpretative journalism genre. This style and literary journalism is like-minded, especially for the narrative style of writing</p>
