<b>Abstract</b>	This article is a qualitative research explained by descriptive-inferential method and analyzed by method of hermeneutics of Hans George Gadamer. Nurcholish Madjid (1939-2005) had more thorough idea about the objective of Islamic education. The ultimate goal of human life is <i>Abd and khalifah</i> . God gives emotions and fitrah to achieve it. Emotion, lead by knowledge, will bring human to the goodness or badness. <i>Abd and khalifah</i> has manifested in good worshiping and good in social life.
