Abstract	Judges supervision in Indonesia's constitutional system in the future will only be performed by Judicial Commission. Judicial Commission involves Judicial Commission, Provincial Judicial Commission and District/City Judicial Commission based on each authority. The research discusses model of judges supervision to implement an independent judicial power for the future Indonesia. This research is a normative juridical research with statute approach and conceptual approach. The results show Local Judicial Commission has duties and authorities to; First, monitor and supervise Judges' behavior. Second, receive report from the people related to the violation of Ethic Code and/or Judges Code of Conduct. Third, verify, clarify, and investigate report related to presumption of violation of Ethic Code and/or Judges Code of Conduct covertly. Fourth, take legal action and/or other actions to individual, group or legal entity that degrade the honor and dignity of Judges. Keywords: Judicial Commission, judicial power, supervision
