
New topologies of multi-level power converters for use of next-generation ultra high-speed switching devices

Title	New topologies of multi-level power converters for use of next-generation ultra high-speed switching devices
Abstract	
Authors	S Suroso
Journal Name	Energy Conversion Congress and Exposition, 2009. ECCE 2009. IEEE, 1968-1975, 2009
Publish Year	2009
Citation	18
