

Significant reduction of saturation magnetization and microwave-reflection loss in barium-natural ferrite via Nd³⁺ substitution

Title	Significant reduction of saturation magnetization and microwave-reflection loss in barium-natural ferrite via Nd ³⁺ substitution
Abstract	
Authors	W Widanarto, E Ardeni, SK Ghoshal, C Kurniawan, M Effendi, ...
Journal Name	Journal of Magnetism and Magnetic Materials 456, 288-291, 2018
Publish Year	2018
Citation	24
Url	https://scholar.google.com/scholar?q=+intitle:"Significant reduction of saturation magnetization and microwave-reflection loss in barium-natural ferrite via Nd³⁺ substitution"
Author	Dr R WAHYU WIDANARTO, S.Si, M.Si
