

Optical study on electronic transport properties of single-walled carbon nanotubes at high temperature

Title	Optical study on electronic transport properties of single-walled carbon nanotubes at high temperature
Abstract	
Authors	M Effendi, H Yokoi, N Kuroda
Journal Name	Journal of Nanoscience and Nanotechnology 10 (6), 4074-4077, 2010
Publish Year	2010
Citation	5
Url	https://scholar.google.com/scholar?q=+intitle:"Optical study on electronic transport properties of single-walled carbon nanotubes at high temperature"
Author	Dr.Eng MUKHTAR EFFENDI, S.Si, M.Eng
