

Lysophosphatidylcholine disrupts the acrosome of tammar wallaby (macropus eugenii) spermatozoa

Title	Lysophosphatidylcholine disrupts the acrosome of tammar wallaby (macropus eugenii) spermatozoa
Abstract	
Authors	Y Sistina, M Lin, JC Rodger
Journal Name	Molecular reproduction and development 35 (3), 277-284, 1993
Publish Year	1993
Citation	14
