

Coating hydroxiapatite on stainless steel 316 L by using sago starch as binder with dip-coating method

Title	Coating hydroxiapatite on stainless steel 316 L by using sago starch as binder with dip-coating method
Abstract	
Authors	A Fadli, F Akbar, A Prabowo, PH Hidayah
Journal Name	IOP Conference Series: Materials Science and Engineering 345 (1), 012036, 2018
Publish Year	2018
Citation	3
