

Polymorphism analysis of the coA (Coagulase) gene in isolates of methicillin-resistant Staphylococcus aureus with AluI restriction sites

Title	Polymorphism analysis of the coA (Coagulase) gene in isolates of methicillin-resistant Staphylococcus aureus with AluI restriction sites
Abstract	
Authors	AD Anggraini, EB Koendhori, H Pramono, DD Wahyono
Journal Name	Health Science Journal of Indonesia 8 (1), 63837
Publish Year	2017
Citation	6
