

Experimental Study on the Properties of Artificial Lightweight Aggregate Concrete Reinforced with Carpet Waste Fiber

Title	Experimental Study on the Properties of Artificial Lightweight Aggregate Concrete Reinforced with Carpet Waste Fiber
Abstract	
Authors	Y Haryanto, GH Sudiby, NG Wariyatno
Journal Name	IOP Conference Series: Materials Science and Engineering 371 (1), 012006, 2018
Publish Year	2018
Citation	5
Url	https://scholar.google.com/scholar?q=+intitle:"Experimental Study on the Properties of Artificial Lightweight Aggregate Concrete Reinforced with Carpet Waste Fiber"
Author	NANANG GUNAWAN WARIYATNO, M.T
