

Bond-Slip Behavior of Steel Bar Embedded in Lightweight Concrete Using Sand Coated Polypropylene Coarse Aggregate

Title	Bond-Slip Behavior of Steel Bar Embedded in Lightweight Concrete Using Sand Coated Polypropylene Coarse Aggregate
Abstract	
Authors	P Gandjar, H Bimasena, PA Yuta, P Heru
Journal Name	Materials Science Forum 929, 103-108, 2018
Publish Year	2018
Citation	7
