

Synthesis of La/N Co-doped SrTiO₃ using polymerized complex method for visible light photocatalysis

Title	Synthesis of La/N Co-doped SrTiO ₃ using polymerized complex method for visible light photocatalysis
Abstract	
Authors	U Sulaeman, S Yin, T Sato
Journal Name	Adv. Nanopart 2, 6-10, 2013
Publish Year	2013
Citation	11
