

Identification of Herbal Compounds as Thymidylate Synthase Inhibitors that more Potent than 5-Fluorouracil using Molecular Docking

Title	Identification of Herbal Compounds as Thymidylate Synthase Inhibitors that more Potent than 5-Fluorouracil using Molecular Docking
Abstract	
Authors	YM Pratama, D Indarto, YH Suselo
Journal Name	Nexus Kedokteran Translasional 4 (2), 2015
Publish Year	2015
Citation	(not set)
