

Production of Biodiesel from Coconut Oil Using Microwave: Effect of Some Parameters on Transesterification Reaction by NaOH Catalyst

Title	Production of Biodiesel from Coconut Oil Using Microwave: Effect of Some Parameters on Transesterification Reaction by NaOH Catalyst
Abstract	
Authors	A Suryanto, S Suprpto, M Mahfud
Journal Name	Bulletin of Chemical Reaction Engineering & Catalysis 10 (2), 162, 2015
Publish Year	2015
Citation	17
