

Modeling and simulation of CO₂ absorption into promoted aqueous potassium carbonate solution in industrial scale packed column

Title	Modeling and simulation of CO ₂ absorption into promoted aqueous potassium carbonate solution in industrial scale packed column
Abstract	
Authors	A Altway, S Susianto, S Suprpto, S Nurkhamidah, NIF Nisa, F Hardiyanto, ...
Journal Name	Bulletin of Chemical Reaction Engineering & Catalysis 10 (2), 111, 2015
Publish Year	2015
Citation	12
