

Synthesis of SrO. SiO₂ catalyst and its application in the transesterification reactions of soybean oil

Title	Synthesis of SrO. SiO ₂ catalyst and its application in the transesterification reactions of soybean oil
Abstract	
Authors	N Widiarti, LA Suryana, N Wijayati, EF Rahayu, H Harjito, SB Wardhana, ...
Journal Name	Bulletin of Chemical Reaction Engineering & Catalysis 12 (2), 299-305, 2017
Publish Year	2017
Citation	8
