| Title | Phytochemical and antioxidant evaluation of ethanol extract leaves of dendrophthoe falcata (loranthaceae) hemiparasitic on melia azedarach host tree |
| Abstract | |
| Authors | S Atun, ZQ A’yun, N Lutfia, S Handayani |
| Journal Name | Journal of Physics: Conference Series 1156 (1), 012011, 2019 |
| Publish Year | 2019 |
| Citation | 5 |
