

Genetic Characteristic of Indonesian Local Ducks Based on Single Nucleotide Polymorphism (SNP) Analysis in D-loop Region Mitochondria DNA

Title	Genetic Characteristic of Indonesian Local Ducks Based on Single Nucleotide Polymorphism (SNP) Analysis in D-loop Region Mitochondria DNA
Abstract	
Authors	D Purwantini, I Ismoyowati
Journal Name	Animal Production 16 (3), 146-155, 2015
Publish Year	2015
Citation	6
