

The character istics (compositions, morphological, and structure) of nanocomposites polyaniline (PANI)/ZnO

Title	The character istics (compositions, morphological, and structure) of nanocomposites polyaniline (PANI)/ZnO
Abstract	
Authors	R Andreas, A Lesbani, FA Yusuf
Journal Name	IOP Conference Series: Materials Science and Engineering 509 (1), 012126, 2019
Publish Year	2019
Citation	6
