

Theoretical study on frontier orbitals of dehydrogenated tetrahydrocurcumin in gas phase

Title	Theoretical study on frontier orbitals of dehydrogenated tetrahydrocurcumin in gas phase
Abstract	
Authors	LSP Boli, V Khoirunisa, AG Saputro, MK Agusta, F Rusydi, H Rachmawati, ...
Journal Name	Journal of Physics: Conference Series 1204 (1), 012019, 2019
Publish Year	2019
Citation	1
