

Synthesis of silver orthophosphate under dimethyl sulfoxide solvent and their photocatalytic properties

Title	Synthesis of silver orthophosphate under dimethyl sulfoxide solvent and their photocatalytic properties
Abstract	
Authors	DA Septiarini, M Kurniasih, R Andreas, D Hermawan, U Sulaeman
Journal Name	IOP Conference Series: Materials Science and Engineering 509 (1), 012151, 2019
Publish Year	2019
Citation	2
