

Electroelasticity of dielectric elastomers based on molecular chain statistics

Title	Electroelasticity of dielectric elastomers based on molecular chain statistics
Abstract	
Authors	M Itskov, VN Khiãm, S Waluyo
Journal Name	Mathematics and Mechanics of Solids 24 (3), 862-873, 2019
Publish Year	2019
Citation	17
Url	https://scholar.google.com/scholar?q=+intitle:"Electroelasticity of dielectric elastomers based on molecular chain statistics"
Author	Dr.-Ing SUGENG WALUYO, S.T, M.Sc.
