
A nine-level hybrid current source inverter using common-emitter topology and inductor-cell

Title	A nine-level hybrid current source inverter using common-emitter topology and inductor-cell
Abstract	
Authors	Suroso
Journal Name	International Journal of power Electronics and Drive System 10 (2), 852-859, 2019
Publish Year	2019
Citation	4
Url	https://scholar.google.com/scholar?q=+intitle:"A nine-level hybrid current source inverter using common-emitter topology and inductor-cell"
Author	DARU TRI NUGROHO, S.T, M.T
