

Anti-atherogenic properties of Deglet Noor date seeds (Phoenix dactylifera) methanol extract on diet-induced hypercholesterolemic rats

Title	Anti-atherogenic properties of Deglet Noor date seeds (Phoenix dactylifera) methanol extract on diet-induced hypercholesterolemic rats
Abstract	
Authors	S Saryono, J Eliyan, D Herdiati, AA Khikmatullah, CP Silvana, HP Adi
Journal Name	IOP Conference Series: Materials Science and Engineering 172 (1), 012046, 2017
Publish Year	2017
Citation	18
