

Precast segmental bamboo reinforced concrete beams with bolted connections subjected to flexural loads: an experimental investigation

Title	Precast segmental bamboo reinforced concrete beams with bolted connections subjected to flexural loads: an experimental investigation
Abstract	
Authors	Y Haryanto, HT Hu, AL Han, NG Wariyatno, GH Sudibyo, BA Hidayat, ...
Journal Name	IOP Conference Series: Materials Science and Engineering 615 (1), 012070, 2019
Publish Year	2019
Citation	4
