

The Use of Instrumentation Amplifiers and Voltage-to-Current Converter In a Process Control: Simulation and Implementation

Title	The Use of Instrumentation Amplifiers and Voltage-to-Current Converter In a Process Control: Simulation and Implementation
Abstract	
Authors	AW Wardhana, MI Zulfa
Journal Name	Jurnal Nasional Teknik Elektro, 104–118-104–118, 2019
Publish Year	2019
Citation	1
