

Quantitative Structure-Property Relationship Analysis Against Critical Micelle Concentration of Sulfonate-Based Surfactant Based on Semiempirical Zindo/1 Calculation

Title	Quantitative Structure-Property Relationship Analysis Against Critical Micelle Concentration of Sulfonate-Based Surfactant Based on Semiempirical Zindo/1 Calculation
Abstract	
Authors	P Iswanto, EVY Delsy, E Setiawan, FA Putra
Journal Name	Molekul 14 (2), 78-83, 2019
Publish Year	2019
Citation	3
