
Effect of Milling Time on the Microstructure and Dielectric Properties of Chitosan Nanopowder.

Title	Effect of Milling Time on the Microstructure and Dielectric Properties of Chitosan Nanopowder.
Abstract	
Authors	K Sari, ABS Utomo, K Abraha, E Kartini, E Yulianti, E Suharyadi
Journal Name	International Journal of Nanoelectronics & Materials 13 (1), 2020
Publish Year	2020
Citation	9
