
MicroRNA-155-5p diminishes in vitro ovarian cancer cell viability by targeting HIF1 α expression

Title	MicroRNA-155-5p diminishes in vitro ovarian cancer cell viability by targeting HIF1 α expression
Abstract	
Authors	Y Ysrafil, I Astuti, SL Anwar, R Martien, FAN Sumadi, T Wardhana, ...
Journal Name	Advanced Pharmaceutical Bulletin 10 (4), 630, 2020
Publish Year	2020
Citation	10
