
Neodymium ions activated barium ferrite composites for microwave X-band absorber applications: synthesis and characterizations

Title	Neodymium ions activated barium ferrite composites for microwave X-band absorber applications: synthesis and characterizations
Abstract	
Authors	W Widanarto, AI Ekaputra, M Effendi, WT Cahyanto, SK Ghoshal, ...
Journal Name	Composites Communications 19, 51-55, 2020
Publish Year	2020
Citation	14
