

Estimation of Ideal Configuration and Dimension of Pico Hydropower using Euler-Lagrange Equation and Runge-Kutta Method

Title	Estimation of Ideal Configuration and Dimension of Pico Hydropower using Euler-Lagrange Equation and Runge-Kutta Method
Abstract	
Authors	J Aminuddin, A Widiyani, P Razi, AN Aziz, RF Abdullatif, A Arifin
Journal Name	Journal of Physics: Conference Series 1494 (1), 012039, 2020
Publish Year	2020
Citation	4
