

Half-space model problem for a compressible fluid model of Korteweg type with slip boundary condition

Title	Half-space model problem for a compressible fluid model of Korteweg type with slip boundary condition
Abstract	
Authors	S Inna, S Maryani, H Saito
Journal Name	Journal of physics: Conference series 1494 (1), 012014, 2020
Publish Year	2020
Citation	11
