

Design of defect and metallic silver in silver phosphate photocatalyst using the hydroxyapatite and glucose

Title	Design of defect and metallic silver in silver phosphate photocatalyst using the hydroxyapatite and glucose
Abstract	
Authors	U Sulaeman, S Suhendar, H Diastuti, R Andreas, S Yin
Journal Name	Indonesian Journal of Chemistry 20 (6), 1441-1447, 2020
Publish Year	2020
Citation	5
