

Transformation of Structure, Magnetic Properties and Microwave Absorption Capability in Nd-Doped Strontium Hexaferrite

Title	Transformation of Structure, Magnetic Properties and Microwave Absorption Capability in Nd-Doped Strontium Hexaferrite
Abstract	
Authors	M Effendi, E Solihah, C Kurniawan, WT Cahyanto, W Widanarto
Journal Name	Key Engineering Materials 855, 255-260, 2020
Publish Year	2020
Citation	2
