

Delineating Outflow Zones Using Linear Features Density (LFD) Derived From Landsat Imagery at Paguyangan, Brebes, Central Java

Title	Delineating Outflow Zones Using Linear Features Density (LFD) Derived From Landsat Imagery at Paguyangan, Brebes, Central Java
Abstract	
Authors	S Iswahyudi, A Saepuloh, A Widagdo
Journal Name	Proceedings, 3rd International ITB Geothermal Workshop, 2014
Publish Year	2014
Citation	7
