

Synthesis of benzalacetone analogue over NaOH-/ZrO₂-montmorillonite as catalyst and its antioxidant activity test

Title	Synthesis of benzalacetone analogue over NaOH-/ZrO ₂ -montmorillonite as catalyst and its antioxidant activity test
Abstract	
Authors	S Handayani
Journal Name	Desertasi, Doktor Ilmu Kimia, Universitas Gadjah Mada, Yogyakarta, 2012
Publish Year	2012
Citation	3
