

Detection of p56 in grouper (Chromileptes alvitelis) by giving peridinin chlorophyll protein (PCP) using immunohistochemical

Title	Detection of p56 in grouper (Chromileptes alvitelis) by giving peridinin chlorophyll protein (PCP) using immunohistochemical
Abstract	
Authors	RO Kusuma, U Yanuhar, JJ Putra
Journal Name	Int. J. Sci. Technol. Res 9, 2379-2381, 2020
Publish Year	2020
Citation	2
