

Separation of selected imidazole enantiomers using dual cyclodextrin system in micellar electrokinetic chromatography

Title	Separation of selected imidazole enantiomers using dual cyclodextrin system in micellar electrokinetic chromatography
Abstract	
Authors	WA Wan Ibrahim, SM Abd Wahib, D Hermawan, MM Sanagi, ...
Journal Name	Chirality 25 (6), 328-335, 2013
Publish Year	2013
Citation	26
