

Structural and magnetic properties of La³⁺ substituted barium– natural nanoferrites as microwave absorber in X-band

Title	Structural and magnetic properties of La ³⁺ substituted barium; natural nanoferrites as microwave absorber in X-band
Abstract	
Authors	W Widanarto, F Amirudin, SK Ghoshal, M Effendi, WT Cahyanto
Journal Name	Journal of Magnetism and Magnetic Materials 426, 483-486, 2017
Publish Year	2017
Citation	28
