

Improved thermal features and ionic conductivity of lithium-zinc-tellurite glass electrolytes

Title	Improved thermal features and ionic conductivity of lithium-zinc-tellurite glass electrolytes
Abstract	
Authors	W Widanarto, MR Sahar, SK Ghoshal, M Mashadi, D Gustiono, M Effendi
Journal Name	Malaysian Journal of Fundamental and Applied Sciences 10 (4), 2015
Publish Year	2015
Citation	2
