

A humidity repellent and acid-proof self-assembling passivation for gas sensors and transducers with open surfaces

Title	A humidity repellent and acid-proof self-assembling passivation for gas sensors and transducers with open surfaces
Abstract	
Authors	T Knittel, G Freitag, W Widanarto, I Eisele
Journal Name	The 13th International Conference on Solid-State Sensors, Actuators and …, 2005
Publish Year	2005
Citation	1
