
Thermophilic amylase from *Thermus* sp. isolation and its potential application for bioethanol production

Title	Thermophilic amylase from <i>Thermus</i> sp. isolation and its potential application for bioethanol production
Abstract	
Authors	A Fatoni, Zufahair
Journal Name	Songklanakarin Journal of Science and Technology 34 (5), 525-531, 2012
Publish Year	2012
Citation	20
