

Detection Moleculer Of Putative 18S rRNA Gen Protozoa Trichodina sp. Infected Larvae Gurami (Osphronemus gouramy L) in Balai Benih Ikan Kutasari Purbalingga Central Java

Title	Detection Moleculer Of Putative 18S rRNA Gen Protozoa Trichodina sp. Infected Larvae Gurami (Osphronemus gouramy L) in Balai Benih Ikan Kutasari Purbalingga Central Java
Abstract	
Authors	R Rokhmani, DJ Wahyono, L Mulyani
Journal Name	BioEksakta: Jurnal Ilmiah Biologi Unsoed 3 (1), 26-32, 2021
Publish Year	2021
Citation	(not set)
