

Calcium oxide from limestone as solid base catalyst in transesterification of Reutealis trisperma oil

Title	Calcium oxide from limestone as solid base catalyst in transesterification of Reutealis trisperma oil
Abstract	
Authors	S Suprpto, TR Fauziah, MS Sangi, TP Oetami, I Qoniah, D Prasetyoko
Journal Name	Indonesian Journal of Chemistry 16 (2), 208-213, 2016
Publish Year	2016
Citation	33
