

Determination of Soil Volumetric Water Content and Dry Bulk Density Using ADR Probe with Artificial Neural Network

Title	Determination of Soil Volumetric Water Content and Dry Bulk Density Using ADR Probe with Artificial Neural Network
Abstract	
Authors	BI Setiawan, Rudiyanto, K Wijaya, T Nishimura
Journal Name	The 3rd International Seminar on Toward Harmonization between Development & #8230;, 2004
Publish Year	2004
Citation	1
