

The study on in vitro formation of DNA adduct 8-hydroxy-2-deoxyduanosine (8-OHdG) from benzo [a] pyrene and Fenton-like reaction

Title	The study on in vitro formation of DNA adduct 8-hydroxy-2-deoxyduanosine (8-OHdG) from benzo [a] pyrene and Fenton-like reaction
Abstract	
Authors	B Budiawan, DO Putri, S Handayani, IC Dani, R Bakri
Journal Name	AIP Conference Proceedings 2023 (1), 2018
Publish Year	2018
Citation	(not set)
