
Experimental study on the concrete surface preparation influence to the tensile and shear bond strength of synthetic wraps

Title	Experimental study on the concrete surface preparation influence to the tensile and shear bond strength of synthetic wraps
Abstract	
Authors	S Tadjono, HA Lie, A Hidayat
Journal Name	Procedia engineering 171, 1116-1122, 2017
Publish Year	2017
Citation	14
Url	https://scholar.google.com/scholar?q=+intitle:"Experimental study on the concrete surface preparation influence to the tensile and shear bond strength of synthetic wraps"
Author	ARIF IMAM Hidayat, M.N.S.
