
Rotating black holes and exotic compact objects in the Kerr/CFT correspondence within Rastall gravity

Title	Rotating black holes and exotic compact objects in the Kerr/CFT correspondence within Rastall gravity
Abstract	
Authors	MFAR Sakti, A Suroso, A Sulaksono, FP Zen
Journal Name	Physics of the Dark Universe 35, 100974, 2022
Publish Year	2022
Citation	9
