

N., & Husen, F.(2021). Nephroprotective and antioxidant effects of ethanol extract of Coprinus comatus mushroom fruit-bodies on streptozotocin-induced diabetic rat models

Title	N., & Husen, F.(2021). Nephroprotective and antioxidant effects of ethanol extract of Coprinus comatus mushroom fruit-bodies on streptozotocin-induced diabetic rat models
Abstract	
Authors	NI Ratnaningtyas, E Hernayanti
Journal Name	The 4th International Conference on Biosciences (ICoBio 2021) 948 (1-13), 0
Publish Year	(not set)
Citation	6
