
Evolution of morphological, crystal structure, and electrical properties of Ba-Pb-Bi-O superconducting materials

Title	Evolution of morphological, crystal structure, and electrical properties of Ba-Pb-Bi-O superconducting materials
Abstract	
Authors	A Imaduddin, S Herbirowo, H Nugraha, H Hendrik, A Aisatun, ...
Journal Name	South African Journal of Chemical Engineering 46 (1), 112-121, 2023
Publish Year	2023
Citation	5
Url	https://scholar.google.com/scholar?q=+intitle:"Evolution of morphological, crystal structure, and electrical properties of Ba-Pb-Bi-O superconducting materials"
Author	Dr.Eng MUKHTAR EFFENDI, S.Si, M.Eng
